

Join the **BEER MYSTIC** Global Pub Crawl Follow the Beer Mystic's inebriated circumnavigations around the circumference of a beer glass

BEER MYSTIC is **bart plantenga's** mythic novel chronicling the misadventures of Furman Pivo as he discovers the relation between mystification and mysticism via beer & streetlights on NYC's streets c. 1987.

Read **BEER MYSTIC** online excerpt by excerpt, city by city, URL by URL – leave comments, tips, half-quaffed beers – and be proud that you understand the intimate relation between lager and lit, between porter and portentous fiction, between ballads and bitters... demand its publication, promise to purchase the actual book, which may very well serve as a guidebook to both soul and spleen.
